- Polished Stainless Steel

### Installation Guidelines

- *May be subject to Australian Building Code Regulations for height and location fixing and may be subject to placement as per architectural drawings. In all cases, this is the responsibility of the installer.*
1. Locate fixing position on wall or partition and mark using mounting holes, ensuring the unit is level.
  2. Securely mount the concealed mounting flanges to the wall using appropriate fixings.
  3. Replace the covers for the mounting holes and check the unit is level to finish installation.
