### Installation Guidelines

- *May be subject to Australian Building Code Regulations for able bodied and/or disabled use.*
- *Fixings and anchors are not included with the units and are the responsibility of the installer to appropriately fix the unit to the wall.*

1. Remove grub screw from underside of mounting flange with an Allen key.
2. Remove mounting plate and then secure the soap dish to the wall surface with appropriate screws and wall plugs.
3. Secure unit by hanging flange in place and fully tighten the grub screw to finish installation.
  - **Note:** Apply ample silicone around the fixings to avoid water ingress.

Mounting Bracket

This product is AS1428.1 compliant (accessible compliant) when installed in accordance with the guidelines.
