- Recess Mount Concealed Fix

Dimensions

- **Overall Size:** 188mmW x 152mmH x 63mmD
- **Wall Opening:** 148mmW x 112mmH x 65mmD

Finish

- Satin Stainless Steel

Installation Guidelines

- *May be subject to Australian Building Code Regulations for able bodied and/or disabled use.*
- *Fixings and anchors are not included with the units and are the responsibility of the installer to appropriately fix the unit to the wall.*

1. Create wall opening to dimensions noted.
2. On the perimeter of the holder, place a suitable amount of an adhesive or high strength bonding agent.
3. Place the unit into the wall opening. Level the unit and push firmly so that it sits flush with outer wall section.
4. Leave the adhesive to set for 24 hours before using.

- Note: Apply ample silicone around the fixings to avoid water ingress.

Features

- Unit has raised bumps on the inside to securely hold soap/bottles and allow water to drain away.

This product is AS1428.1 compliant (accessible compliant) when installed in accordance with the guidelines.
