### Material Specifications

- #304 Polished Stainless Steel

### Mounting

- Surface Mount Concealed Fix

### Dimensions

- 285mmW x 80mmH x 110mmD

### Finish

- Polished Stainless Steel

### Installation Guidelines

- *May be subject to Australian Building Code Regulations for height and location fixing and may be subject to placement as per architectural drawings. In all cases, this is the responsibility of the installer.*
- *General purpose fixings are included with this unit.*  
**Note:** *It is the responsibility of the installer to determine the appropriate fixings for the unit based upon the surface with which it is being mounted to.*

1. Determine appropriate installation height and location using the mounting holes at the back of the toilet roll holder.
2. Use **suitable** fixings to fasten the unit to the surface.
3. Ensure unit is level to finish installation.

### Features

- Holds two standard toilet rolls
- Unit fitted with tumbler lock (key provided)

This product is AS1428.1 compliant (accessible compliant) when installed in accordance with the guidelines.
