

## ML615B Wall Mounted Soap Dispenser

### Material Specifications

- #304 Stainless Steel

### Dimensions

- 172mmH x 110mmD x 76.5mm $\varnothing$

### Finish

- Polished Stainless Steel

### Installation Guidelines

- *May be subject to Australian Building Code Regulations for height and location fixing and may be subject to placement as per architectural drawings. In all cases, this is the responsibility of the installer.*

1. Remove the two ferrules from the unit, by unscrewing them from the mounting points.
2. Locate fixing position on wall or partition and mark using the mounting holes of the unit.
3. Drill holes and loosely secure ferrules to the wall or partition surface using screws and wall plugs provided.
4. Check the ferrules are level, and slide the unit onto the ferrules.
5. Ensure the screw at the top and bottom of the mounts are fully secured to finish installation.

### Features

- Pump action soap dispenser valve
- 400mL Capacity
