

ML681F_MKII Foam Soap Dispenser

Material Specifications

- ABS Body and Push Button

Mounting

- Surface Mount Concealed Fix

Dimensions

- 130mmW x 250mmH x 115mmD

Installation Guidelines

- *May be subject to Australian Building Code Regulations for height and location fixing and may be subject to placement as per architectural drawings. In all cases, this is the responsibility of the installer.*
1. To open the dispenser, press the hidden lever up (located at the bottom of the unit) this will release the latch and the front will spring down.
 2. Determine appropriate installation height and location using the mounting holes at the back of the soap dispenser.
 3. Drill holes at the marked locations and insert plastic anchors (supplied).
 4. Insert two screws (supplied) into top plastic anchors and leave 1/8" space from the wall under head for hanging dispenser.
 5. Hang the dispenser on the 2 screws through the keyhole slots on the top of the backplate.
 6. Remove soap reservoir and lock dispenser to the wall with the remaining two screws (supplied) through the holes at the bottom of the backplate.
 7. Tighten all screws and ensure unit is level. Insert the soap reservoir and close the unit to finish installation.

Features
