Installation Guidelines

- *May be subject to Australian Building Code Regulations for height and location fixing and may be subject to placement as per architectural drawings. In all cases, this is the responsibility of the installer.*

- *Fixings and anchors are not included with the units and are the responsibility of the installer to appropriately fix the unit to the wall.*
1. Using the mounting hole dimensions on the above drawing, measure and mark placement for the unit.
 2. To access the mounting holes, open the unit door and align the rear fixing holes over marks and drill holes.
 3. Using appropriate fixings, fit unit to the wall and loosely secure.
 4. Check the unit is level and tighten fixings to finish installation.

Features

- Unit fitted with security lock.
- Full length piano hinge on door.
