

ML777 Stainless Steel Polished Mirror

Material Specifications

- #304 Stainless Steel
- Solid Nylon Backing

Dimensions

- 500mmW x 950mmH x 7.5mmD

Installation Guidelines

- *May be subject to Australian Building Code Regulations for height and location fixing and may be subject to placement as per architectural drawings. In all cases, this is the responsibility of the installer.*
1. Using the pre-drilled holes on the mirror surface, locate height on wall and mark fixing holes, ensuring unit is level and even.
 2. Drill holes, fit wall plugs and loosely secure the mirror to wall surface using appropriate fixings.
 3. Check the mirror is level and securely tighten fixings to finish installation.

Features

- Suitable for security facilities.

This product is AS1428.1 compliant (disabled compliant) when installed in accordance with the guidelines.
