Installation Guidelines

- *May be subject to Australian Building Code Regulations for height and location fixing and may be subject to placement as per architectural drawings. In all cases, this is the responsibility of the installer.*
- *Fixings and anchors are not included with the units and are the responsibility of the installer to appropriately fix the unit to the wall.*

1. Unlock the unit with the key provided. Determine appropriate installation height and location using the mounting holes at the back of the toilet roll dispenser.
2. Use appropriate fixings to fasten to the wall or partition.
3. Ensure unit is level and secure to finish installation.

Features

- Unit holds two standard rolls up to 108mmW x 300mL
- Unit fitted with security lock
